### ORIENTATION / CODE OF ETHICS

REALTORS® are required to complete ethics training within three-year cycles. The National Association of REALTORS® requires that all members take Code of Ethics once they join a Board. The Code is what sets REALTORS® apart from other real estate professionals. When you take the Code of Ethics class, you are stating that you will follow a strict Code of Ethics promoting professionalism and an ethical real estate practice.

Every REALTOR is required to take Code of Ethics every three years. New members are required to take Orientation/Code of Ethics within 90 days of joining. The Board will be offering Orientation and Code of Ethics on a monthly basis beginning in September.

- You may take Code of Ethics training online at [www.nar.realtor](http://www.nar.realtor). You may take it for free with No CE Credit or for \$29.95 with 3 CE Credits. Once you begin the course, you have 30 days to complete the course. Make sure to take the course for existing members.
- If your office offers that course, you may take the course there. You will need to email [AE@HALLBOR.NET](mailto:AE@HALLBOR.NET) a completion certificate so that we can update your information.
